HANS®

HANS®

SMART TOILET

THE SMARTEST TOILET FOR THE SMARTEST HOME.

Premium Quality. Guaranteed Peace of Mind.

Tested **100,000** Times

Before reaching your home, every HANS Smart Toilet undergoes 100,000 endurance test cycles to ensure *true* reliability.

HANS®

Don't worry, you're safe.

Scared about faulty smart toilets? Don't worry. Ours are IPX4 water-resistant and protected by rapid-trip ELCB technology.

HANS®

ONE FLUSH. DONE.

Removes up to 1,000g of waste in a single flush.

360° Powerful
Vortex Flush

Bottom Jet Helps
Push Waste Out
Faster, Cleaner.

Clog Free
Flush

Every Time, Every Flush.

HANS®

LOW PRESSURE? NO PROBLEM.

Powerful flushing, even at low water pressure.

Built-In Water Tank

Stable and consistent flushing performance even under low water pressure.

Brushless Booster Pump

Stronger and quieter flushing with longer lifespan and lower maintenance.

HANS®

ODOUR-FREE EVERY TIME.

Built-in deodorization draws away unwanted odours to help keep your bathroom fresh.

FILTRATION

AIR CIRCULATION

ODOUR REMOVAL

HANS®

NO SPLASH, NO RESIDUE.

BubbleGuard™ Technology

Dense foam coats the bowl to help prevent splashes and sticky stool.

No Splash

No Sticky Stool
